## 🟡 Calling All Women in Lancashire Constabulary! 🟡 Interested in Playing Rugby Union?

We're looking to gauge interest in starting a **Women's Rugby Union Team** within the force.

Whether you're experienced or brand new to the sport, if you're curious, we want to hear from you!

### Why?

Because rugby is more than a game — it's about teamwork, challenge, confidence, and having fun while getting stuck in. I'm passionate about the sport and would love to create a supportive, empowering space for women to get involved.

### Details:

Training times and locations will be confirmed based on interest — so your response matters!

Let's get the ball rolling (and start tackling)!

### Interested?

Get in touch and let us know — the pitch is waiting!

To register your interest please email:
